1. The Hospital shall pay Tiziana Silveri a gross annual base salary of \$202,414, which is inclusive of any time off for vacation and paid holidays and subject to necessary deductions.
2. The Excellent Care for All Act, 2010 (the “Act”), requires that a portion of Tiziana Silveri’s compensation be linked to performance.

To that end, in addition to the annual base salary payable, Tiziana Silveri is also eligible to earn one (1%) performance-based pay.

The performance-based pay will be determined based on the Hospital’s Quality Improvement Plan Standards for the relevant fiscal year, and using the same indicators and process as the rest of the Senior Leadership Team (‘the QIP Performance Based Pay’).

In the event that Tiziana Silveri leaves the active employ of the NBRHC part way through a fiscal year, payment of the QIP performance-based pay elements will be made at the same rate and within the same time frame as the QIP based performance payments are determined and made to the vice presidents of NBRHC, but the amount of the payment will be multiplied by the proportion of the fiscal year that Tiziana Silveri was actively employed.

4. Each year, the Hospital will increase its envelope by an amount not exceeding the government approved maximum and provide appropriate increases to the pay rate.
5. It is understood that this Schedule A may be amended from time to time without affecting the applicability or enforceability of the terms of this Employment Agreement.
