

**Permanent Psychiatrist
Specialized Rehabilitation Psychiatry
North Bay Regional Health Centre
North Bay, Ontario**

Attracting Talent – Achieving Excellence – Promoting Quality

The North Bay Regional Health Centre is seeking a Permanent Full-Time Psychiatrist to join its team.

Organization Information

North Bay Regional Health Centre is a unique health care organization with three primary roles: providing acute care services to North Bay and its surrounding communities, functioning as the district referral center providing specialist services for smaller communities in the area, and it's the specialized mental health service provider serving all of northeast Ontario. For further information about the NBRHC please view www.nbrhc.on.ca and <https://vimeo.com/106279645>

North Bay is located 3.5 hours north of Toronto and 3.5 hours west of Ottawa. With a population of 54 000 and a regional catchment area of 450, 000, it is a safe and welcoming community that offers a healthy and balanced environment for working, living and raising a family. North Bay boasts beautiful scenery, four distinct seasons of activity, a diverse economy, a brand new state-of-the-art regional health centre and multi-level learning establishments. To view beautiful North Bay and our lifestyle please see <https://vimeo.com/84039502>

Job Summary

The North Bay Regional Health Centre has a unique practice opportunity for a Permanent Full-Time Psychiatrist to provide psychiatric care to patients of its Service of Specialized Rehabilitation Psychiatry.

The Service of Specialized Rehabilitation Psychiatry includes 40 specialized rehabilitation beds across two sites (with a total average of 50 admissions annually) serving those with severe and persistent mental illness and co-morbid conditions. All units provide short-term inpatient assessment, treatment and rehabilitation, and transitional support to return "home". Using a patient centered, interdisciplinary approach to care, services are delivered to promote the active participation of individuals in their own recovery. Psychiatrists with this program also provide outpatient services via various outpatient clinics as part of a team.

The successful candidate will be expected to participate in the Department of Psychiatry hospital on-call rota, provide ECT services to inpatients and outpatients and consult liaison services to the medical units of the organization.

There are opportunities to expand practice interests by providing advice and guidance to mental health partners across the region utilizing virtual support to remote and rural areas through our telemedicine service.

The organization is an affiliated academic teaching centre with the Northern Ontario School of Medicine (NOSM). The preferred candidate will be expected to participate in teaching undergraduate and postgraduate medical learners.

Qualifications

Applicants are required to be certified in Psychiatry by the Royal College of Physicians and Surgeons of Canada (or the equivalent in another jurisdiction) and must be licensed (or eligible for licensure) in the Province of Ontario.

Remuneration

Competitive monthly clinical stipend with opportunities for additional OHIP billing income, Hospital On-Call Compensation (HOCC) stipends and teaching stipends.

Attractive incentive package which includes a \$50,000 signing bonus, \$25,000 non-repayable and interest free loan, relocation funding and up to \$80,000 through the Northern Rural Recruitment & Retention Initiative (NRRRI).
