

NORTH BAY REGIONAL HEALTH CENTRE SEEKS CANDIDATES FOR THE BOARD OF DIRECTORS

The North Bay Regional Health Centre (NBRHC) is a state-of-the-art health centre providing District acute care services to North Bay and its surrounding communities, and specialized mental health services to all of Northeastern Ontario.

We are currently seeking applications to fill vacancies on the Board of Directors. The Board of Directors is committed to seeking members that reflect the full diversity of Nipissing and the Northeast. Equally important will be the competencies and experiences that make the candidate a suitable Director at NBRHC (a Skills/Knowledge Matrix is included in the application package).

Board Directorship is a volunteer position that typically requires a dedicated time commitment of 15 to 20 hours per month. Members are expected to attend Board meetings and be involved with a committee of the Board. Travel and other expenses to conduct Board business are reimbursed in accordance with Board Policy.

The Board is using an approach that is based on balancing a wide range of knowledge, skills and experience in selecting members that represent the population we serve. For these specific Board positions, a solid background in any of the following areas or disciplines would be an asset: human resources/labour relations; law; information technology; business; accounting; patient and healthcare advocacy; Indigenous/cultural competencies; and leadership and creative problem solving. Knowledge of mental illness and recovery principles is valued and bilingualism in English and French is desirable.

Individuals who wish to be considered as candidates are requested to obtain an application by contacting Cheryl Vainio, Administrative Assistant, either via email (cheryl.vainio@nbrhc.on.ca) or telephone (705-474-8600, ext. 2513).
